

Dear Laetarees

We're very much looking forward to seeing you at the Royal Agricultural University for our summer singing weekend with musical director Patrick Craig. Please see the Timetable rehearsal times and also the site plan on the webpage. [links...]

RAU is on the western outskirts of Cirencester between the A429 Tetbury Road and the A419 Stroud Road. If arriving from Tetbury please drive on to the roundabout and turn left to reach the main car park entrance B. From there you will see signs directing you to the Tithe Barn where we will be checking in.

Cirencester is served by Kemble Railway Station. If you plan to arrive by train please let me know when it is due so that I can arrange for you to be met there.

Please arrive from 4 o'clock on Friday 18th July. Dinner will be at 6.30pm and we shall have our first rehearsal in the evening, so do let me know if you expect to arrive late. On arrival you will be given your name badge and music folder (including a printed timetable) and your room allocation.

There will be a well-stocked bar open both evenings.

Don't forget that there will be an entertainment on Saturday night, so bring along an instrument, a song or a poem to perform. If you would like piano accompaniment, please let me know on the "Contact Us" tab: I'll put you in touch with someone so that you can let them have your music in advance.

If you have any last-minute queries or requests please get in touch, using the "Contact Us" tab.

See you soon.

Pat Mills (Pat not Patrick this time, to avoid confusion with Patrick Craig)

Laetare Summer Event Secretary
